\*This Calendar includes 9 inclement weather and 4 staff development days earned through extended school days.

This calendar is made possible by a grant to your LEPC by Hallsdale Powell Utility District. The Mission of the Union County LEPC is for first responders, businesses, medical personnel, county officials, volunteer agencies, civic organizations, and private citizens to identify potential disaster and emergency needs, organize a unified, planned response in advance of those needs, to test the plan and response system for their efficacy, and periodically update both the plan and the system through ongoing evaluation.
